

## Goren: Baying for Blood

Are you ready for the ultimate adrenaline rush? Jump into the most intense and blood-pumping multiplayer zombie shooter game online. Choose your side wisely in a variety of game modes, including the thrilling Story mode, nerve-wracking Wave mode, and heart-pounding multiplayer battles (Player vs. Zombie or Player vs. Player).

Experience the action through the eyes of Zowie, a fierce survivor, as she battles not only the flesh-eating zombies but also the demons within herself. Will she overcome the darkness and betrayal that surrounds her? Or will she succumb to the chaos and become yet another zombie?

Get ready for an unforgettable adventure, where survival is not guaranteed, and the only thing standing between you and the horde of undead is your trigger finger. Are you up for the challenge? Play Goren - Baying for Blood now!

### Single player Mode:

Play through an epic tragedy timeline of events for the perspective of Zowie, and her friends. She is enlisted into the military to work on behalf of the government or risk eaten alive in this dystopian future.
